

Triple Crown 14% Racing Formula

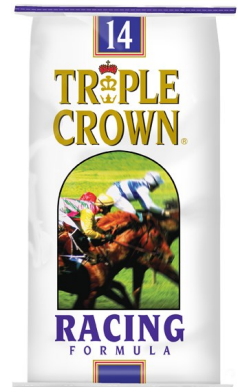

A high energy grain mix.

Triple Crown 14% Racing Formula is a high energy grain mix designed to be fed to young performance horses, broodmares and breeding stallions, yearlings and weanlings. Triple Crown 14% Racing will provide essential minerals and vitamins to growing and breeding horses and horses in training and performing in strenuous-type activities.

Guaranteed Analysis

Net Wt. 50 LBS (22.7kg)

Crude Protein (min.)	14.00%	Copper (min.)	60 ppm
Lysine (min.)	0.75%	Vitamin A (min.)	7,000 IU/lb
Methionine (min.)	0.20%	Vitamin D (min.)	1,000 IU/lb
Threonine (min.)	0.50%	Vitamin E (min.)	180 IU/lb
Crude Fat (min.)	10.00%	Ascorbic Acid (min.)	50 mg/lb
Crude Fiber (max.)	7.00%	Biotin (min.)	0.35 mg/lb
Calcium (min.)	0.90%	Lactobacillus Acidophilus	795 million CFU/lb
Calcium (max.)	1.40%	Fermentation Product (min.)	
Phosphorus (min.)	0.50%	Saccharomyces Cerevisiae	1589 million CFU/lb
Magnesium (min.)	0.55%	Yeast Culture (min.)	
Iron (min.)	200 ppm	Cellulase (Trichoderma Longibrachiatum	160 CMC-ase Units/lb
Potassium (min.)	0.80%	Fermentation Extract) (min.)	
Selenium (min.)	0.65 ppm	Protease (Bacillus Subtilis	0.6 Northrup Units/lb
Zinc (min.)	200 ppm	Fermentation Extract) (min.)	
Manganese (min.)	140 ppm		

Ingredients

Whole Oats, Cracked Corn, Dehulled Soybean Meal, Cane Molasses, Soybean Oil, Heat Processed Soybeans, Barley, Shredded Beet Pulp, Wheat Middlings, Ground Limestone, Monocalcium Phosphate, Dicalcium Phosphate, Magnesium Oxide, Rice Bran, Distillers Dried Grains, Hydrolyzed Yeast, Zinc Amino Acid Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Kelp Meal, Yeast Culture, Hydrated Sodium Calcium Aluminosilicate, Anethole, Fenugreek Seed, Lecithin, Iron Amino Acid Complex, Magnesium Proteinate, Dried Trichoderma Longibrachiatum Fermentation Extract, Calcium Carbonate, Selenium Yeast, Dried Lactobacillus Acidophilus Fermentation Product, Dried Enterococcus Faecium Fermentation Product, Dried Bacillus Subtilis Fermentation Extract, Salt, Vitamin E Supplement, Ascorbic Acid (Source of Vitamin C), Niacin Supplement, Biotin, Vitamin A Supplement, Thiamine Mononitrate, Beta Carotene, Calcium Pantothenate, Riboflavin Supplement, Pyridoxine Hydrochloride, Vitamin B12 Supplement, Vitamin D3 Supplement, Choline Chloride, Menadione Sodium Bisulfite Complex (Source of Vitamin K Activity), Folic Acid, Sodium Bicarbonate, Brewers Dried Yeast, Ferrous Sulfate, Manganese Sulfate, Zinc Sulfate, Copper Sulfate, Cobalt Sulfate, Ethylenediamine Dihydriodide, Flaxseed, Monosodium Phosphate, L-Lysine, Lignin Sulfonate, DL-methionine, DL-methionine Hydroxy Analog, (Propionic Acid, Sodium Benzoate, Potassium Sorbate (Preservatives)). (Free from Restricted Ruminant Protein Products per Title 21, CFR 589.2000/2001)

Feeding Directions

Triple Crown 14% Racing Formula is a high energy grain mix designed to be fed to young performance horses, broodmares, breeding stallions, weanlings and yearlings. Triple Crown 14% Racing Formula will provide essential minerals and vitamins to growing and breeding horses and horses training and performing in strenuous-type activities. Begin feeding Triple Crown 14% Racing Formula with as much good quality forage as possible along with free access to clean water and salt. NOTE: feeding more than 15 pounds of Triple Crown 14% Racing Formula per day is not recommended. If you are feeding less than 5 pounds or more than 15 pounds per day of Triple Crown 14% Racing Formula in order to achieve desired body condition please consult with Triple Crown Nutrition at 1-800-451-9916. **PERFORMANCE HORSES:** Feed Triple Crown 14% Racing Formula as the sole grain source at a rate that will maintain the horse's desired body condition and energy level. **BROODMARES AND BREEDING STALLIONS:** Feed Triple Crown 14% Racing Formula at a rate that maintains the mare's or stallion's desired body condition. If feeding less than 6 pounds of Triple Crown 14% Racing Formula to breeding stallions, also feed 1 to 2 pounds of Triple Crown 30% Supplement per day in combination with Triple Crown 14% Racing Formula. **WEANLINGS AND YEARLINGS:** The amount of Triple Crown 14% Racing Formula fed per day should be adjusted in order to control the rate of growth and body condition within desired limits. If feeding less than 4 pounds per day of Triple Crown 14% Racing Formula to growing horses, also feed 1 pound of Triple Crown 30% Supplement per day.
