--

<b>Crude Protein</b>	<i>– not less than 14.0%</i>
<b>Crude Fat</b>	<i>– not less than 5.5%</i>
<b>Crude Fiber</b>	<i>– not more than 20.0%</i>

## Feeding Directions

Feed along with quality forages as a supplement to the current feeding program, according to the table below. Not a complete feed. Make all feeding changes gradually.

<b>Maintenance</b>	<b>Light Walk</b>	<b>Moderate Walk</b>
1/4 lb.-1/2 lb. per 100 lbs. of body weight daily	1/2 lb.-3/4 lb. per 100 lbs. of body weight daily	1/2 lb.-1 lb. per 100 lbs. of body weight daily

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death.

**WARNING!** Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
