

Hubbard® Life Nutripreme® is a pelleted all-purpose conditioner for animals of all ages. It is formulated to stimulate top production and maximum condition in animals being raised for performance and show.

ABOUT THE PRODUCT

Multiple Protein Sources and Amino Acid Balance

The proper level of quality amino acids from natural and synthetic sources provides required building blocks for tissue development, gain and optimal efficiency.

Advanced Fat Sources

Unique, highly digestible fat sources provide essential fatty acids resulting in better energy utilization and coat appearance.

Vitamins A, B, D and E Mineral Fortification

Proper vitamin and mineral fortification results in improved growth, feed efficiency and vigor.

Added Hubbard Flavor Enhancers

Hubbard's unique blend of ingredients improves aroma and palatability resulting in consistent consumption.

BENEFITS FROM INGREDIENTS

- Provides an extra nutritional boost for top performance
- Aids to improve digestion
- Stimulates appetite, increases weight gains
- Increases performance
- Aids in providing maximum show condition
- Palatable (can be mixed into feed or top-dressed)
- Can be used to provide extra nutrition to stimulate top production
- No added copper, safe for copper-sensitive species

NUTRIENT ANALYSIS

Crude Protein, min %	25.0
Crude Fat, min %	3.0
Crude Fiber, min %	2.0
Crude Fiber, max %	6.0
Acid Detergent Fiber (ADF), max %	9.0
Calcium (Ca), min %	0.5
Calcium (Ca), max %	1.0
Phosphorus (P), min %	0.6
Salt, min %	0.5
Salt, max %	1.0
Potassium (K), min %	1.0
Selenium, min	2.4 ppm
Zinc, min	200 ppm
Vitamin A, min	25,000 IU/lb.
Vitamin D, min	5,000 IU/lb.
Vitamin E, min	100 IU/lb.

FEEDING DIRECTIONS

Hubbard Life NutriPreme should be blended into the feed for group feeding or can be top-dressed for individually-fed animals. Usage levels depend upon age and class of livestock.

Hubbard Life NutriPreme is not designed to be a complete feed.

All animals should be fed according to use and body condition.

Use caution so as not to over-feed.

	Amounts per Day
Foal	up to 1.5 lb.
Mares (lactating)	1 to 1.5 lb.
Horses	0.75 to 1.25 lb.
Mature Cattle	1 to 2 lb.
Show Pigs	1/4 lb.
Sows and Boars	1/4 lb.
Goats	up to 1/4 lb.
Sheep	up to 1/4 lb.
Rabbits	up to 1 Tbsp.
Does with young	1 Tbsp

CAUTION

This product has been formulated specifically for horses, cattle, swine, goats, sheep & rabbits and is not intended for other species.

This multi-species product is formulated without added copper and may not provide adequate copper for optimal goat, horse, rabbit and beef cattle performance. Please provide a separate source of copper, such as free choice mineral, if feeding this product to horses, cattle, swine, goats and rabbits. Do not provide another source of copper if feeding sheep.
