

Glänzen³

Guaranteed Analysis

Crude Protein, Minimum	18.00 %
Crude Fat, Minimum	26.00 %
Crude Fiber, Maximum	22.00 %
Biotin, Minimum	80 mg/lb

Ingredients

Milled Flaxseed, Yeast Culture, Zinc Amino Acid Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Cobalt Glucoheptonate, DL-Methionine, Biotin, L-Lysine Hydrochloride, Vitamin E, Folic Acid, Pyridoxine Hydrochloride (B₆), Niacinamide, Riboflavin Supplement (B₂), Calcium Pantothenate, Vitamin B₁₂ Supplement, Thiamine Hydrochloride (B₁), Natural Mixed Tocopherols, Calcium Carbonate

Hoof, Coat and Attitude![®]

Naturally rich in Omega-3 fatty acids, Glänzen 3 will have a dramatic effect on skin and coat producing a silky, vibrant shine.

Glänzen 3 is also an excellent product for supporting normal hoof growth and strong hooves. Each six ounce serving (three scoops filled to ½ cup line) will provide 30 mg of biotin, four ounces of milled flaxseed (naturally rich in Omega-3), and more...

Feeding Directions

Provide Glänzen 3 to mature horses at the rate of six (6) ounces (170 grams) per horse, daily. Six ounces (three scoops filled to ½ cup line) of Glänzen 3 will provide optimal results for most horses. Serving size may be reduced proportionately for horses weighing less than 1,100 lbs (lighter breeds or younger horses).

Introduce Glänzen 3 to horses gradually. Start with ¼ to ½ scoop (one ounce) the first day. Gradually increase the daily usage rate to the desired level over a 10 to 14 day period. Do not exceed six ounces (three scoops) per horse, daily. The enclosed ½ cup scoop will hold approximately two (2) ounces when filled to the ½ cup line. Provide up to three scoops per day (filled to ½ cup line). Daily serving may be divided for multiple feedings i.e., morning & evening.
