

SU-PER[®] Form

Helps Maintain the General Health of All Ages and Breeds of Horses!

Our complete nutritional supplement with probiotics. Provides a complete spectrum of Vitamins, Minerals, Amino Acids, and Electrolytes to support good health.

NEW for 2021: Same Proven Results with a New Psyllium base!
Improved digestive health, even better taste!

SU-PER[®] Form is our premium Vitamin/Mineral Supplement. It contains all of the essential vitamins and minerals your horse needs, along with isolated amino acids and electrolytes to help maintain a complete nutritional profile. **SU-PER[®] Form** works to fill in the gaps where there may be nutritional deficiencies in your horse's diet.

This product contains
SU-PER PRO-MAXX
 our PRObiotic
 nutrient MAXXimizer!

SU-PER[®] Form also contains **SU-PER[®] Pro-Maxx**, our proprietary blend of probiotics. These probiotics not only increase the absorption and utilization of the nutrients found in the **SU-PER[®] Form**, but also help to take full advantage of the other nutrients provided in the diet.

Deficiencies can occur at any time, due to varying quality of feed and forages, poor digestion, or increased needs based on activity level or age. Providing a boost to essential nutrients is an easy and economical way to ensure your horse is getting a well-balanced diet at all times.

SU-PER[®] Form is safe and effective for all ages, breeds, and disciplines. As little as 1 ounce per day is enough to provide balance and support to the overall diet, yet **SU-PER[®] Form** is also powerful enough to provide support to those with increased nutritional needs, such as performance horses. **SU-PER[®] Form** has been a staple in the racing industry for decades, but the same benefits apply to all horses.
