HORSE & PONY COOLING MIX

NON-HEATING, EVERYDAY MIX

Low energy, non-heating ration with added herbs. Ideal for horses and ponies in light to medium work or horses with excitable temperaments. Fully balanced feed with added oil and essential amino acids to support optimum skin, coat and muscle health.

Horse & Pony Cooling Mix is suitable for:

- Horses & ponies in light to medium work
- Horses & ponies requiring a low energy ration
- Horses & ponies that are prone to excitable behaviours
- Horses & ponies that can be fussy feeders

Features & Benefits:

- Free from whole oats
- "Super-Fibre" inclusion to support controllable energy release
- Oil & essential amino acids to maintain skin, coat and muscle health
- Optimum balance of energy for weight maintenance and work
- Fully fortified with a full spectrum of vitamins and minerals
- Contains a blend of natural herbs which are known for their respiratory, digestive and anti-inflammatory properties
