Biotin Complete®

Concentrated Formula for Dried and Cracked Hooves

30 SERVINGS

600 NET WEIGHT
grams (1.32 lbs)

THE EQUINE PERFORMANCE SUPPLEMENT SPECIALIST™

For use in horses only. Biotin Complete® contains Lysine, Methionine, Zinc, along with concentrated amounts of Biotin, B-Vitamins, amino acids and trace minerals to provide support for dried, cracked hooves. Although it takes time for new hooves to grow, a new, stronger wall with healthy growth should begin to appear at the top of the hoof in as little as 2 to 3 weeks.

NOTICE: Contents packed by weight, not by volume. Some settling may occur.

Disclaimer: Except as otherwise provided herein, no warranties are expressed or implied. Neither Peak Performance Nutrients, Inc. nor its authorized resellers will be responsible for any consequential, incidental, special or indirect damages arising out of the use of this product.
