Product Features

CRYSTALYX Stable-lyx is a unique, palatable, nutrient dense supplement designed for consistent self-fed consumption by all classes of equine. Stable-lyx ensures daily intake of trace minerals and vitamins necessary for top performance.

Feeding Instructions

CRYSTALYX Stable-lyx supplement is designed for self-feeding to all classes of equines.

Place containers in areas that achieve desired supplement intake. Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization. Feed at the rate of one container for every 3-20 head. A minimum of two (2) containers may be necessary in each lot or pasture to assure proper accessibility. Self fed consumption will depend on the size of the animals fed, seasonal weather conditions, as well as quality, source and availability of other feeds.

Equines will typically consume between 0.25 and 3.0 pounds per head per day.

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN FRESH WATER AT ALL TIMES.

NOTE: CRYSTALYX Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.

CAUTION: Equines must be managed so that consumption of this block does not exceed three (3) pounds per head per day. Consumption of selenium should not exceed 3 mg per head daily.

Nutrition Information

Crude Protein, Min	12.00%
Crude Fat, Min	5.00%
Crude Fiber, Max	3.00%
Acid Detergent Fiber, Max	4.00%
Neutral Detergent Fiber, Max	5.00%
Calcium, Min	1.50%
Calcium, Max	2.00%
Phosphorus, Min	1.00%
Salt, Min	12.00%
Salt, Max	14.00%
Magnesium, Min	1.00%
Potassium, Min	2.00%
Cobalt, Min	8.8 ppm
Copper, Min	250 ppm
Iodine, Min	8.8 ppm

Manganese, Min	880 ppm
Selenium, Min	0.7 ppm
Zinc, Min	1,320 ppm
Vitamin A, Min	30,000 IU/lb
Vitamin D-3, Min	5,000 IU/lb
Vitamin E, Min	250 IU/lb
Thiamine, Min	30 mg/lb
Biotin, Min	10 mg/lb

Product Ingredients

Molasses products, salt, plant protein products, processed grain by-products, hydrolyzed vegetable oil, monocalcium phosphate, dicalcium phosphate, magnesium oxide, calcium carbonate, manganous oxide, manganese sulfate, manganese proteinate, zinc oxide, zinc sulfate, zinc proteinate, copper sulfate, copper proteinate, ethylenediamine dihydroiodide, calcium iodate, cobalt carbonate, cobalt proteinate, biotin, selenium yeast, vitamin A supplement, vitamin D-3 supplement, vitamin E supplement, vitamin B-12 supplement, riboflavin supplement, niacin supplement, calcium pantothenate, choline chloride, menadione sodium bisulfite complex, thiamine mononitrate, mineral oil.
