

# Nu-Weight™: SUPPLEMENT FACTS

SELECT Nu-Weight™ is a scientifically formulated blend of Direct-Fed Microbials and vegetable fat to help put weight on problem horses. SELECT Nu-Weight™ contains a source of live (viable), naturally occurring microorganisms (beneficial bacteria) in an easy to feed stabilized rice bran carrier.

## GUARANTEED ANALYSIS:

Per 4 oz.

Per LB.

All values are expressed in minimum unless otherwise stated

Crude Protein .....	7.0%	7.0%
Crude Fat .....	65.0%	65.0%
Crude Fiber (max) .....	5.0%	5.0%

## MINERALS

Calcium .....	550 mg	0.5%
Calcium (max) .....	1,100 mg	1.0%
Phosphorus .....	1,100 mg	1.0%

## DIRECT-FED MICROBIALS :

Total Microorganisms (min) .....	490,000 CFU*	1,974,000 CFU*
----------------------------------	--------------	----------------

(Lactobacillus acidophilus, Bifidobacterium thermophilum, Enterococcus faecium) \*CFU=Colony Forming Units

## INGREDIENTS:

Vegetable fat, Stabilized rice bran, Dicalcium phosphate, Dried whey, Lecithin, Tertiary butyl hydroquinone, Aspergillus oryzae fermentation extract dehydrated, Dried egg sorbitan monostearate, Lactobacillus acidophilus fermentation extract dehydrated, Bifidobacterium thermophilum fermentation extract dehydrated, and Enterococcus faecium fermentation extract dehydrated.

## FEEDING DIRECTIONS:

Loading: Feed 8 ounces for 10 days | Maintenance: Feed 4 ounces per day | **NOTE:** Scoop included equals 2 ounces (56.7 g)
