## B-COMPLETE

[Store locator \(https://foranequine.com/us//find-a-stockist/\)](https://foranequine.com/us//find-a-stockist/)

B vitamins with added prebiotic to support digestive health and appetite

### FEATURES & BENEFITS

#### > Vital B Vitamins

- > Essential for blood cell formation
- > For optimal metabolism, maximising the diet for energy production

#### > Prebiotic – to promote the growth of beneficial bacteria to aid digestion and optimise feed utilisation in the hind gut

#### > Vanilla Flavour – palatable liquid formula, safely promotes appetite

### IDEAL FOR

Horses experiencing:

- > Increased stress
- > High energy demands and intense training
- > Fatigue
- > Extensive travelling
- > Reduced appetite

Ensuring your horse gets the most out of their diet, so you can get the most out of your horse

Days Supply – 1L(34 fl oz.)= 34 days\*, 2.5L(85 fl oz)= 85 days\*
