Chevinal

[Store locator \(<https://foranequine.com/us/find-a-stockist/>\)](#)

Ensure they have it all with Chevinal

A palatable multi-nutrient liquid supplement, perfectly balanced for optimal performance, Chevinal offers reassurance that your horse isn't left with any nutritional gaps, regardless of what the day holds for them.

CONTAINS

- > Amino acids to aid in muscle recovery and re-building of condition
- > B vitamins for protein metabolism and energy utilisation
- > Biotin and Zinc to support healthy hoof horn growth and skin condition

USES

For all horses, to help balance their nutritional requirements in any circumstances. Can be particularly beneficial in performance horses with reduced feed intake or who require additional support for high levels of exertion and to support horses recovering from illness.

SUITABLE FOR

All horses, especially performance horses. Chevinal can be used to balance out a diet of forage or concentrations as necessary
