

PROSTOCK FEEDS EQUINE MINERAL

REGISTRATION #: 840113

This feed contains added selenium at 20 mg/kg.

GUARANTEED ANALYSIS:

Calcium (actual)	9.35 %	Vitamin A (min)	335,000 IU/kg
Phosphorus (actual)	6.70 %	Vitamin D (min)	27,000 IU/kg
*Sodium (actual)	7.90 %	Vitamin E (min)	1,350 IU/kg
Magnesium (actual)	0.50 %	Biotin (Min)	800 mcg/kg
Iodine (actual)	5.00 mg/kg	Niacin (Min)	535 mg/kg
Iron (actual)	4,100 mg/kg	Riboflavin (Min)	100 mg/kg
Manganese (actual)	1,196 mg/kg	Thiamine (min)	135 mg/kg
Zinc (actual)	4,000 mg/kg	Vitamin B12 (Min)	150 mcg/kg
Fluorine (max)	460 mg/kg		
Copper (actual)	1,000 mg/kg		
Cobalt (actual)	17.0 mg/kg		

*equivalent to approximately 20% salt.

INGREDIENTS:

A list of the ingredients used in this feed may be obtained from the manufacturer or registrant.

FEEDING DIRECTIONS:

Place Equine Horse Mineral in an open mineral feeder, protected from the elements. Place one feeder for every 10 to 15 head. Initially remove all sources of salt. If mineral intake exceeds 150 grams per head per day, add salt blocks to mineral feeder: approximately one block for every 10-15 head. Expected free choice consumption will be approximately 150 grams per head per day. This will vary depending upon the condition of the horses, plane of nutrition, age, weight, weather conditions and sex of the horse. Equine Horse Mineral may also be top dressed on the horse's daily grain allowance. Top dress 150 grams for mature horses. For best results, top dress in two equal daily feedings. At all times allow access to clean water and adequate good quality, dust free forage.

NOTE:

Feeding vitamins other than Vitamin A, D, E, riboflavin, pyridoxine and thiamine to horses may not have a beneficial effect.

CAUTION:

1. Directions for use must be followed carefully.
2. Do not use in association with another feed containing supplemental selenium.

REMINDER:

"Individual results from the use of this product may vary, due to management, environmental, genetic, health and sanitation differences, therefore UFA does not warrant or guarantee individual results."
