

# GUTBIOME

## EQUINE SUPPLEMENT

### SUPPORTS A HEALTHY DIGESTIVE TRACT

ProElite® Gutbiome is an ultra-premium equine supplement designed to support a horse's gut microbiome. This research-proven health supplement is optimized for stomach, foregut, and hindgut health along with immune support.

#### **FEATURES AND BENEFITS:**

- Supports a horse's gut microbiome through research-proven ingredients for optimized stomach, foregut, and hindgut health along with immune support.
- Research-proven TruEquine™ Postbiotic to support a healthy gut microbiome
- Contains prebiotics and probiotics to support total tract gut health
- Butyric Acid and Zinc to support gut tissue integrity and nutrient absorption
- Peppermint flavored to enhance palatability
- Easy-to-feed pellet form

#### **DIRECTIONS FOR USE:**

For use in horses only. Recommended to help support a healthy digestive tract.

Provide 2 enclosed scoops (20 g/scoop) daily for 1000 lb. horses.

Cautions: If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven.

Warnings: Not for human consumption. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
